Purpose:

Stark Council for Continuous Improvement (SCCI) will be entering its seventh year. As a not-for-profit council comprised of representatives and leaders from across our region—including the Stark County Board, City of Wyoming, City of Toulon, Bradford Township, Stark County CUSD #100 and Bradford School District. SCCI remains dedicated to driving consistent growth and innovation within our community, acting as a conduit between local government, the school district and the community.

Connecting Leaders. Powering Progress. Inspiring Generations.

Mission

"To unite Stark County leaders to bridge the gap between local governments, civic organizations, and industry to advance education, drive economic vitality, to build a vibrant community for generations to come."

Core Pillars

Connecting Leaders: Immediately brings local government, civic groups, and industry leaders to the same table to foster unified strategic action.

Powering Progress: Infuses high-voltage, catalyst energy that drives measurable economic and educational results across Stark County.

Inspiring Generations: Looks toward the horizon, ensuring today's initiatives build a vibrant, sustainable future for generations to come.

Driving Economic & Housing Growth

APEX Clean Energy Partnership:

Major partnership projected to bring nearly \$400 Million in revenue to Stark County over 28 years, creating annual SCCI membership support and direct grants for teachers & school districts.

Regional Alliances:

Collaborating with NCICG (North Central Illinois Council for Governments) & USDA Rural Development to create comprehensive plans, zoning updates, and secure state/federal grants.

Housing Development:

Housing Development Committee (Est. 2024) focused on Toulon Ridge Subdivision, senior & assisted care, and residential expansion across all major townships.

Municipal Infrastructure: Upgrading roads, sidewalks, drainage, and athletic facilities in partnership with Wyoming & Toulon city councils.

Strategic Priorities

- **Residential Growth:** Advancing housing in all townships.
- **Community Care:** Enhancing daycare, independent living, and transition living facilities.
- **Leadership Excellence:** Hosting council & board leadership workshops across the county.
